- Masa grants can be used towards tuition only.
- Additional discount given to participants paying the part of tuition not covered by the Masa grant in full before program start
- To be accepted into all programs, participants must pass ITC's screening process which includes English test, tech tests, and interview
- Programs are open to eligible candidates who can pass the screening process.

* All tuition prices exclude the $600 (2,000 ILS) downpayment. All prices are before Masa grant.
# Dates subject to slight change.
** ISA = Income Sharing Agreement, is a Pay Once You Earn model where students pay for the program from their salaries after graduation.
ISA applies only on full-time programs and only for qualifying students.
